Unravel the crochet chain of the invisible cast on, divide the stitches in half, put them on two double pointed needles and weave the two sides together to make the hood. Make two 15" / 38.1 cm crochet-chains or I-cord ties or use a pretty ribbon, and fasten to each front at the neck band.

Sew two buttons on each side of center front opening between the second and fourth decorative row. Crochet two 15-stitch chains. Sew each crochet chain to the back of each button on the left side, wrap it around that button and also wrap it around the right side button in a loop. Weave in loose yarn ends. Block according to directions on yarn label.

Seafarer's Vest and Socks - Seamen's Church Institute

Join more than 3,500 knitters from every state who knit desperately needed and deeply appreciated items for seafarers through the Christmas-at-Sea program of the Seamen's Church Institute of New York and New Jersey. Most seafarers come from tropical or temperate countries and are unprepared for the frigid temperatures when they cross the North Atlantic in winter. Because demand exceeds the number of garments received, knitted items are collected year-round. Yarn is provided at no cost. Download patterns from the Seamen's Church Institute's web site, <u>www.seamenschurch.org</u> or contact Barbara Clauson, at 212-349-9090 Ext 257. Send items to: Christmas-at-Sea, 241 Water Street, New York, NY 10038. The Christmas-at-Sea program began in 1898 during the Spanish American War. Last year, SCI chaplains distributed more than 14,000 Christmasat-Sea packages. The Seamen's Church Institute's mission is to advance the personal, professional, and spiritual well being of mariners worldwide. Established in 1834, SCI is an ecumenical agency affiliated with the Episcopal Church. To learn more about SCI, go to www.seamenschurch.org.

Editors Note: We do not recommend using ties for the bonnet and gown unless baby is supervised for a special occasion such as pictures or this gwon is used as a burial outfit.

When a pregnancy is lost early, the baby may be too small and fragile to dress for burial. This bunting serves to wrap the baby to be held, for pictures, and to be buried in as well. It's a small bit of comfort in the midst of a tragic time. I make each one with a prayer for the lost, hope for the chance to have a healthy baby in the future, and gratitude for my own healthy son. - Designed by Betsy Ann Dey

Finished Size:

8" (10") / 20.3 (25.4) cm square **SKILL:** Adv Beginner **GAUGE:** Not critical

NOTES: 1) Though the knitting is done back and forth, a circular needle is specified in order to pick up the triangle stitches easily.

Instructions on Use:

Place baby in bunting, fold one corner across, then the other, and then wrap the tie around and secure. The bunting is constructed from a mitered square with a mitered triangle for a pocket. It has a crocheted edge and length of crocheted chain as a tie (although ribbon can be used instead). Anything thicker than sport weight yarn makes the baby look smaller and has been described as "uncomforting". Variegated yarn works up nicely. Two sizes of buntings are given. Changing needle sizes will also change the size of the bunting.

Row 4: K2tog, k3, repeat to end.

Rows 5 and 6: K. Row 7: K2tog, k2, repeat to end.

BABY BOOTIES

Using a thinner worsted weight yarn, size 6 US (4 mm) needles, CO 36 st, leaving a long enough tail to sew up back of bootie later. Booties can be done in the pattern below or all in garter stitch. Measure after first row and it should be approximately 8" / 20 cm wide (less for a preemie). Adjust number of starting sts if using baby yarn and smaller needles.

Note: SI the last st in each row as if to purl, and k the first st of the next row for entire bootie.

K 2 rows, p 2 rows, alternating for 5 purl ridges on right side. Change when the CO tail is on

the right hand end.

At the beginning of the next 2 rows, bind off 10 sts, purling the sts after the bind off. Continue to k 2 rows, p 2 rows for 3 ridges. On the next k row, sl the first st and k2tog across row, k next row and p the next row, then work a row of p2tog and purl the last row. These rows can be worked however you want or is easiest for you to do. Let appearance be your guide. This makes a newborn size. **Optional:** Crochet around the top edge if desired. Sew back and front seam.

TWO-IN-ONE HAT

You need to cast on more stitches than usual as this pattern draws in and isn't stretchy, but beautiful and easy! Use 2 contrasting colors. There are 2 ways of working this hat at the beginning. One is to use 8 or more stitches less for the roll brim and increase those stitches before working the pattern with the 2 colors. The second way is to change to the next size larger needle when starting the pattern with the 2 colors.

CO 64 sts (multiple of 8) on size 9 US (5.5 mm) circular needle, worsted yarn, light color first. Join without twisting and k 4 in garter st. Inc 8 sts in the last row before starting pattern

to 72 sts. Version #1 (Red and White) Rnd 1: With light color, k1, * sl 1, k3, continue from * around, ending sl 1, k2. Rnd 2: Repeat Rnd 1. Rnd 3: Drop

Rnd 3: Drop light color and start with darker color,

Repeat these 4 rnds until piece measures 7" / 17.8 cm, ending with Rows 1 and 2 of the pattern. K 2 rnds with the same light color before decreasing. This lets the slip sts carry up onto the plain part of the top of the hat for a very nice look. Cut dark yarn and begin dec with light color:

Decrease Rounds:

Rnd 1: *K2tog, k4, repeat from * around.

Rnd 2 and all even rnds: K.

Rnd 3: *K2tog, k3, repeat from * around.

Continue to decrease in this manner every other row, with one less st between the k2tog sts. Last dec rnd will be k2tog around.

Cut yarn, leaving 12" / 30.5 cm tail. Thread onto tapestry needle. Run tail through remaining sts, pull tight to secure. Weave in ends.

Version #2 (Gray and White) Work pattern as above, but change colors every rnd instead of every other rnd for a different look. Work only Rnds 1 and 3, alternating the two colors.

GARTER STITCH BEDROOM SLIPPERS

NOTES: 1) Out of 2 skeins of Red Heart worsted you can make three pairs of slippers. After you make one pair, it isn't hard to adjust the pattern for larger or smaller feet. They are deceptively stretchy, fitting larger feet than would be expected. This pattern was adapted from a baby bootie pattern, adjusted to fit an adult. It's quick and is a great pattern to use up scraps. 2) If the wearer usually wears out the soles because of hardwood floors, make another sole with single crochet or afghan stitch and sew to sole of slipper. 3) Hold 2 strands of yarn tog throughout. *Size Lg:* (To make narrower slipper, use less stitches between turning stitches.) CO 49 st, leaving a 12" tail to sew up back of slipper

later. **Row 1:** Beginning with back (WS) k 20 sts, PM, p1, k7 (sole), PM, p1, k19, sl last st as if to purl.

Row 2: (RS) K.

Continue these two rows until you have 11 garter stitch ridges, then bind off 13 sts at beginning of the next 2 rows. Continue on the sts left for the foot for 11 more garter st ridges.

Decrease for toe as follows:

Row 1: K2, k2tog across row. **Row 2:** K across row, including the p sts in the main part of the slipper.

Row 3: K1, k2tog across row.

Row 4: K.

Row 5: K2tog across row.

Row 6: K.

Cut yarn leaving 15-18" / 38.1-45.7 cm tail and use it to sew through remaining sts. Also, sew up the top of the foot and up the ankle on the outside (NOT the inside). This helps the slipper lay better. Sew up the back with the CO tail.

Crochet edging: With wrong side facing you, beginning at the back seam, attach yarn, sc, ch 3, dc in the first st, skip one ch, sc, ch 3, dc in next st and continue around. At end of round, join with sl st to first sc. *Optional:* Use contrasting yarn.

The ribbing makes the hat fit snuggly either pulled down or pushed up.

With pink yarn and circular needle, CO 90 st. Join, being careful not to twist. Place marker for beg of rnd. **Rnds 1-5:** K for rolled brim. **Rnds 6-10:** *K1, p1, rep from * for ribbing. **Rnds 11-31:** K color pattern. **Rnds 32-33:** K. Begin decrease for crown:

Rnd 1: *K 8, p2tog; repeat to end of rnd.

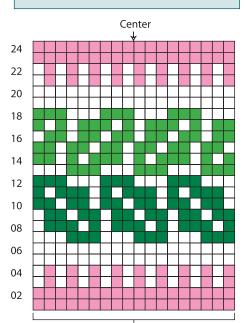

Rnds 2-3: K. Rnd 4: *K7, p2tog; repeat to end of rnd. Rnds 5-6: K.

Change to dps when necessary. Continue dec in this way until 9 sts remain. Cut yarn and pull through remaining sts with crochet hook. Chain 17 with hook and then sl st in second ch from hook and in each ch st back to hat. Sl st into top of hat. Make tassel and attach to end of chain loop.
